## COMPANY SUMMARY

Vella Technologies LLC is an SBA-certified service-disabled veteran-owned small business (SDVOSB) in Fort Myers, Florida, established in 2014, delivering custom software, cloud hosting, managed IT operations, help desk and back-office services to government and commercial clients — with US-based program management and an ISO-certified delivery partner for scalable capacity.

## CORE COMPETENCIES

- **Custom software & systems integration** – Applications, APIs and modernization of legacy systems.
- **Cloud migration, hosting & managed IT** – Migration, hosting, monitoring and MSP operations against SLAs.
- **Cybersecurity & compliance** – Hardening, vulnerability management and audit readiness aligned to NIST.
- **Web portals & data solutions** – Accessible portals, reporting and practical AI automation.
- **Help desk & back-office operations** – Service desk, hotlines and case processing with our ISO-certified delivery partner.
- **Program management & consulting** – PMP-led delivery, engineering and technical advisory.
- **IT training** – Role-based training for users and administrators.

## DIFFERENTIATORS

- SBA-certified SDVOSB and VOSB — eligible for veteran set-aside and sole-source awards.
- PMP-certified leadership with 30+ years of technology delivery experience.
- US point of contact backed by partners: the aLIVE group (250+ staff, five ISO standards) and VEONIO (software and cloud engineering).
- One accountable team from software development through help desk and back-office operations.

## PAST PERFORMANCE

- **Partner reference:** Census 2022 citizen hotline for the German Federal Statistical Office (Destatis), awarded through a public tender — performed by aLIVE-Service GmbH.
